VERSAMAT®
GROUND PROTECTION MAT
PRODUCT INFORMATION BROCHURE

The Checkers™ VersaMat® is a ground protection mat boasting a low profile tread pattern and a high load capacity. These rugged mats are made of 1/2 in. thick polyethylene so they are virtually indestructible. They withstand vehicles weighing up to 120 tons, bend but do not break and feature a Limited Lifetime Warranty. VersaMats® have been tested in record cold and heat. VersaMats® are an environmentally friendly mat as they are made from recycled plastic materials. With VersaMats®, getting stuck is virtually eliminated. They are available smooth on one side or smooth on both sides, ideal for removing dirt or gravel.

- **Features a low profile tread ideal for pedestrian applications**
- **Easily supports 120 ton vehicles**
- **Manufactured from rugged 1/2 in. thick polyethylene**
- **Build a roadway or working platform in minutes**
- **Leave turf smooth, even in soft conditions**
- **No more splintered, warped, water logged plywood**
- **Simply hosing down leaves the mats clean**
- **Available in black, white or clear polyethylene**
- **ClearMats allow light through to grass underneath**
- **Mats can be locked together with Turn-A-Links forming a continuous roadway**
- **Bend, but won't break**
- **Environmentally friendly**
- **Made from recycled polyethylene**
- **Limited Lifetime Warranty**
